AMERICAN FIELD SERVICE

ANTHONY TREVOR BRADDOCK

Once upon a time, there was a happy, naive, little hamlet named Medfield which knew nothing about pubs, ties in school, bulky black sweaters, British accents, a rabbit named Fred, or a puppy-dog-eyed English export named Tony. The invader has left our hamlet impressed, enlightened, fascinated, enriched, and sorry to see him return to England.

BASEBALL 1965

The Medfield High School Warrior baseball team under coach Harry Kreshpane and captain Dick Stuart finished the 1965 season with a winning record of 8 wins and 7 losses. This marks the second straight winning season for our Warrior baseball team.

The outstanding game of the season was a Warrior victory over the league's champion Norton High School, which marked one of Norton's few losses this season. An outstanding 4-hit pitching performance by Dick Stuart and a two-run homer hit by right fielder Ronny Kerr won the game.

Your Class

Photographer.....

The responsibility associated

with such a title is no

small task.

A School Yearbook without

photographs would indeed

be dull.

Therefore, we have tried

to fulfill our photographic

assignment with the careful

attention necessary to assure you

a pleasant and lasting memory

of your days at Medfield High School.
